Re: **National Secretary / Treasurer' Monthly Report for November 2008**

Dear Members:

The first week of November was primarily spent preparing for the National Executive Council (NEC) and Joint Advisory Council (JAC) meetings next week, reviewing / correcting and approving invoices, preparing and finalizing NEC Minutes, preparing Delta organizing mailer and other tasks.

The second week the NEC had our monthly meeting and the Local Officers, Representatives and the NEC attended the JAC Meeting. Many items were discussed and addressed in regard to AMFA National, the Locals, organizing at Delta, organizing drives at some of our carriers, and other issues across the association.

The third week of November after the weekly NEC Conference call I travelled to Minneapolis, MN to attend the Local 33 membership meetings and to assist the Local with moving out of their office. Due to the past consolidation of Locals they have amassed a large amount of paperwork, I went there to determine what records are required to be maintained by law and help clear out the office.

The last week of the month I participated on the weekly NEC Conference call, reviewed and approved invoices, and prepared the NEC and JAC Meeting minutes.

Lastly I would like to take the opportunity to wish everyone a Happy and Safe Holiday Season.

Sincerely,

Steven A. Nowak
National Secretary / Treasurer
