### **Primary and Alternate AMFA– ASA ASAP ERC Representatives Election Results**

In February 2010, AMFA National called for nominations to fill the positions of AMFA – Alaska Airlines Primary and Alternate Aviation Safety Action Program (ASAP) Event Review Committee (ERC) Representatives.

Alaska Airlines members of Locals 14 and 32 were allowed to submit names in nomination for these positions. Following the close of the Willingness to Serve process of this election, there is only one nominee for each position: Kevin Jurasinski for Primary Representative, and Brad Fornelius for Alternate Representative.

As these candidates are unopposed, an election is not required; therefore, Kevin Jurasinski will serve as the Primary Representative, and Brad Fornelius will serve as the Alternate Representative commencing on July 1, 2010.
