Re: **National Secretary/Treasurer's Monthly Report for May 2010**

Dear Members:

The first week of May, the National Executive Council (NEC) conducted our regular weekly conference call, and I worked on final preparations for the NEC and Joint Advisory Council (JAC) Meetings to be held the following week.

The following week I travelled to LAS to participate in the JAC Meeting with the other National Officers and Officers and Representatives from the AMFA Locals. During this week, the NEC took the opportunity to hold our NEC Meeting as well.

The next week of May, I worked on the usual administrative tasks, and the Association concluded the ASAP ERC Representative Elections. I took this opportunity to call all the candidates to inform them of the results before they were posted. I also thanked them all for stepping up and participating. At Southwest Airlines, Scott Paine ran unopposed for the Primary position and John Paonessa won the race for the Alternate position. At Mesaba Airlines, Dave Dufour won the Primary position and Darrin Ceason won the Alternate position. At Alaska Airlines, the candidates for both positions were unopposed and an election was not required; Kevin Jurasinski will serve as the Primary Representative, and Brad Fornelius will serve as the Alternate Representative.

The last full week of May, the NEC held our weekly conference call and I worked on the usual business of administrative tasks.

In Solidarity,

Steven A. Nowak

National Secretary/Treasurer
