2012 National Convention Notice – July 28, 2011

To: All AMFA Locals

Re: 2012 National Convention

In accordance with Article XII, Section 1 of the AMFA Constitution, this letter shall serve as the official notice of the 2012 AMFA National Convention.

The delegates to the 2008 National Convention voted to convene the 2012 National Convention in San Diego, California. The Convention will commence on Monday, May 7, 2012. Further information regarding Convention location will be sent separately.

Election of Delegates: In accordance with Article XII, Section 6 of the AMFA Constitution, Locals must elect their delegates for the 2012 National Convention within ninety (90) days of this notice. Reference Article XII, Section 4 of the AMFA Constitution to determine how many delegates your Local shall elect. Upon completion of this election, please submit your delegates and alternates to the National Secretary as soon as possible.

National Officer Nominations: In accordance with Article VII, Section 2 of the AMFA Constitution, each Local delegation may nominate one (1) candidate for each National Officer position at the National Convention. Because each Local delegation can only nominate one candidate per position, Locals/delegates should begin this process with adequate time to conduct a run-off election, if necessary.

Anyone having questions regarding the 2012 AMFA National Convention, the process for electing delegates, or the process for electing National Officers should contact me at (720) 744-6632 or the Membership and Elections Administrator, Ryanne Pelletier at (720) 744-6629.

Sincerely,

Steven A. Nowak
National Secretary/Treasurer
