Re: **Region I Director's Monthly Update for July 2010**

Dear Members

Well here we are entering August already, were has the summer gone. The first two weeks of July continue to be quiet with the regular phone calls and emails, on each of those Mondays I also participated on our National Executive Council (NEC) conference call.

The third week of the month I was on Vacation went out to the lake for a week of rest and relaxation from Union work and Alaska Technician work.

The last Monday of the June, I participated on our National Executive Council (NEC) conference call.

The Alaska contract proposal process is moving forward, the proposals from Local 14 and 32 have been combined. Tim Cullen Local 14 Airline Representative, Mark Dahl Local 32 Airline Representative and I are reviewing before Ryanne Pelletier AMFA National Administrator contacts TrueBallot and sends out survey to the membership.

Always remember to check your Locals web site for the most up to date information, go to www.amfa14.org, and www.amfa32.com. Thanks for the opportunity to represent the members in Region 1.

Sincerely,

Earl Clark
Region I Director

SAFETY IN THE AIR BEGINS WITH QUALITY MAINTENANCE ON THE GROUND
