**AMFA 14 Local Officer Nomination Petition**

Per Article XIX the AMFA Constitution and Article IV of the Local 14 Bylaws, I recognize the following requirements to seek and hold a union office:

To be nominated, a member shall be in good standing, an active member, attended fifty percent (50%) of regular Local meetings held during the last year or present to the Local Secretary a nominating petition containing signatures (valid as certified by the Local Secretary) of ten percent (10%) of the affected members in good standing in the Local (this petition must be submitted before the end of the regular membership meeting in September), and have been free of all fines and assessments to the National and Local for the preceding twelve months prior to nomination (except for the first election after receiving charter). Members who are unable to attend a meeting because of verified illness, death in the family, vacation, official Association business, or because they reside and work beyond a fifty mile radius of where the meeting is held will be given credit for having attended that meeting for purposes of meeting the minimum attendance requirements.

As a member in good standing of AMFA 14, I hereby submit this petition to comply with the above mentioned eligibility requirements.

name

position for which nomination petition is submitted

By signing this petition, I am supporting this member in running for office despite the fact that he/she has not attended the minimum number of membership meetings.
