## AMFA 14 T-Shirt Design Contest Show Off Your Creativity!

We're making an official Local 14 t-shirt and we want the design to come from our members. This shirt is going to represent our craft, our union, and our pride as aviation professionals. So, let's make it something worth wearing.

### WHAT WE'RE LOOKING FOR:

We want a logo for the back of the shirt that captures what we do and who we are. Think aviation maintenance; aircraft, tools, engines, hangar floor, etc. combined with an element from one of our AMFA logos. This shirt will be representative of our values as a local. This is your chance to show the flying public what our craft is about.

### Logo design requirements:

- Must be one or two colors
- Must include aviation maintenance imagery
- Must include the text:
  1. "AMFA" **OR** "AIRCRAFT MECHANICS FRATERNAL ASSOCIATION"
  2. "LOCAL 14"
  3. "KNOWLEDGE, SKILL, INTEGRITY" **AND/OR** "SAFETY IN THE AIR BEGINS WITH QUALITY MAINTENANCE ON THE GROUND"

### HOW TO SUBMIT:

Send your design via email to [vicepresident@amfa14.org](mailto:vicepresident@amfa14.org)

**DEADLINE TO SUBMIT: TUESDAY, JUNE 16<sup>TH</sup>**

### HOW WE'LL VOTE:

Once submissions close, the LEC will review all entries and select the top 10 designs to move forward. Those finalists will then be shared with the full membership for a vote. The winning logo design will then be sent to a union print shop. Voting will be conducted on the website, [www.amfa14.org](http://www.amfa14.org) Voting period will be June 17<sup>th</sup> through July 8<sup>th</sup>.

**As an added bonus, the final design winner will be awarded a **Milwaukee drill set!****

Whether you submit a design or just show up to vote, your participation matters. Let's build something together that we're all proud to wear on and off the job.

In Solidarity,

Your AMFA 14 Local Executive Council

May 2026

*Shirt color will be black or navy, and the logo will be applied to the back of the shirt*
